

**Liberty Golden Retrievers  
Puppy Questionnaire**

Many breeders request an in-depth questionnaire completion prior to puppy placement. In an effort to ensure the best homes for our puppies, as well as a pleasant purchasing experience for your family, we have chosen to limit our questionnaire to 15 basic questions we believe will help us determine the best puppy for you and the best homes for our puppies. We hope you will ask us many questions, as well, and look forward to getting to know you!
